Dear Parent/Guardian,

A decision has just been reached in the lawsuit brought by the UFT and others that has had an impact on the high school admissions process. As soon as possible, the Office of Student Enrollment will mail your child's high school admissions letter to the home address listed on his or her high school application.

We know how difficult this delay has been for you and for your family, and we thank you for your patience. In the meantime, please continue to check the Department of Education's Web site at www.nyc.gov/schools, or call 311, for updated information.

Sincerely,

A handwritten signature in black ink that reads 'Joel I. Klein'.
