1st and 2nd Grade - Ms. Gigler

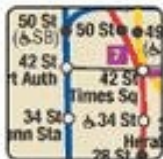

The 1st and 2nd graders had a great time on their field trips - Queens Wildlife Center and the N. Y. Botanical Garden. Being outdoors both days was wonderful. At the zoo we saw many animals native to North America. We were amazed how big the bison were. Even though it drizzled at the Garden, we still splashed through the forest, discovered the waterfall and closed our eyes as we listened for new sounds.

We've worked hard this year, and are at the end of our Reading and Spelling books. We'll be doing more English and Writing for now.

Maps are great! Kids brought in all kinds - maps of countries, cities, continents, land forms, museum floor plans, zoo, garden roads and subways.

Our marigold seeds grew into small plants for Mother's Day. Our greenhouse plants are growing well. It's really hot in there. We have more bulbs to plant outside.

"Every Friday we do art and do different creative things." Mia

"Our butterflies were made with tissue paper." Sidney
